LAS VEGAS – Multi-platinum-selling California rock band TESLA will play its blues metal music at Eastside Cannery Casino & Hotel on Saturday, April 9, 2016 at 8:00pm.

Tesla, which formed in the 1980s, describes itself as a “blues metal” band that fuses elements of blues and rock together. The electric ensemble-style music has instrumentation similar to electric blues and rock beats. Tesla’s lyrics strayed from popular themes of 1980s hard rock music, and the band distinguished itself from contemporaries with a jeans-and-T-shirt look that was in direct contrast with the era’s popular glam rock look.

In its early years, Tesla toured with Aerosmith, David Lee Roth, and Def Leopard, growing a following across the United States. They also produced their hit single, ‘Love Song,’ as well as several covers of songs such as Five Man Electrical Band’s ‘Signs’ and Led Zeppelin’s ‘The Ocean.’

Tesla’s 8:00pm concert on Saturday, April 9, 2016, will be held at Eastside Cannery Casino & Hotel’s Event Center located at 5255 Boulder Highway, Las Vegas, Nev. Tickets start at \$24.95 and are available at [www.ticketmaster.com](http://www.ticketmaster.com).
